

CONSULATE GENERAL OF THE UNITED STATES OF AMERICA - IMMIGRANT VISA UNIT

78 Bhulabhai Desai Road, Mumbai 400 026, India

(e-mail: mumbaiiv@state.gov) (website: <http://mumbai.usconsulate.gov>)

INSTRUCTIONS FOR THE MEDICAL EXAMINATION: Medical examinations can be done at the following hospitals. Information for each hospital is mentioned below. Every applicant for the medical examination must submit his/her passport, 3 recent identical passport size photographs and the Consulate's appointment letter to the hospital. Applicants below 15 years of age need to undergo only a general physical examination. The hospitals usually provide one-day service. The applicants **SHOULD** submit all their old medical/vaccination records to the doctor at the time of the medical examination. The following fees are effective as of June 1, 2004.
